

# Mrs. Miller's Kindergarten Connection Week of December 1, 2014

Please remember to send your child with a warm coat, hat, and gloves everyday. When the snow comes please remember your boots and snow pants as well. Students go out to recess daily with the exception of "too cold" temperatures.

Checkout day in the LIBRARY IS EVERY WEDNESDAY. Please try and help our little ones remember their books.

We will be going on a field trip in December. Please look for the permission slip and letter in your child's binder for more info.

**Scholastic Due December 10<sup>th</sup>.**  
If you would like your items to be a gift please let me know and I will set them aside to send home discretely.

## Homework

**Please Return Packet on Friday**

### **Monday -Thursday**

Please complete the ALL about ME timeline with your child. You student should try and write in the lines provided. If you would like to display the timeline in a different way i.e. Larger paper, more events, color etc.... feel free. We are tying together a few subject areas with this activity so try and work on a little each night.
